Supplies:

You will need 3 mini-charm packs of 42 pre-cut 2-1/2" squares of the Moda Fabric line Manderly. You will need (100) 2-1/2" squares to make this table runner (each Easter Egg takes 25 squares), and these mini-charm packs greatly decrease your cutting time for 2-1/2" squares. You can also use a charm pack of 5" squares, and cut 25 of these squares into 2-1/2" squares. Additional fabric includes: ½ yard green fabric for binding; 7/8 yard white tonal fabric for backgrounds (cut four 12-1/2" squares), scraps of 4 glitter fabrics; 3" X WOF green glitter fabric for sashing (cut three 2" X 12-1/2" strips); and 18" X 58" backing fabric, plus batting, and Heat 'n Bond Lite, and four glitter fabrics to trace the ric rac shape which goes across the center of the Easter Egg. You will need thread to coordinate with each Easter Egg to applique the edges of the egg and the ric rac pieces cut from the glitter fabrics to the background fabric – using a blanket stitch, satin stitch, or another stitch of your choice.
